## DEVELOPMENT REVIEW COMMITTEE

Mission: The DRC is dedicated to enhancing property values and the quality of life in the Northwest Cape by tracking local development issues, reviewing land use and zoning requests and advocating with government and commercial entities on behalf of residents. DRC stances are based on in-depth research into issues and the majority opinion of NWNA membership. Current topics include Seven Islands development, the Utilities Expansion Project and the Luxury RV Park.

The DRC Committee already exists and has members. The DRC Chairperson will follow upcoming and current local development issues to fulfill the Mission above. The DRC Chairperson or one of their members will attend meetings at the city of Cape Coral when necessary. The Chairperson will hold meetings to discuss these issues to be sure they are in the best interest of the NWNA members.

## INFORMATION TECHNOLOGY COMMITTEE

Mission: Maintain and update the NWNA Web Site, the NWNA Databases, and resolve email and electronic media issues. Monitor and maintain all IT accounts.

The IT Committee Chairperson should have knowledge of Web design, creation, testing and how to FTP documents up to our GoDaddy Server. (We use Web Easy Software to create, test and publish our NWNA Web Site.) Knowledge of GoDaddy or similar Server environment. The Chairperson or one of their members will also have the responsibility of maintaining the NWNA Database, running reports and queries as needed throughout the year. The NWNA Database is created in Microsoft Access. The Chairperson or one of their members will prepare the NWNA Computer for any upcoming General or Annual meetings and run the computer during the meetings.

*If you can help, or are interested in becoming one of the above open Chairpersons,
